Paolo Tullio Recommends The Landmark's Boardwalk Café and Aroma's Café

The resident critic on RTE's hit show 'The Restaurant' has endorsed The Landmark Hotel's Boardwalk Café & Aroma's Café with his seal of approval and recommendation.

Tullio who knows a thing or two about good food and wine was suitably impressed with his findings at The Landmark.

THE BOARDWALK CAFÉ: 12pm – 9pm daily

"The Boardwalk Café, is a very modern space with a maritime feel. The bright mixture of different coloured chairs, contrasted with the dark hardwood floors and stone walkway, is a brave statement, but it is carried off with some aplomb and the food is unpretentious and good value."

Tullio acknowledges the diversity of the Lunch Menu (served daily 12pm – 4pm) with its wholesome favourites such as the Steak & Mushroom Pie. He also commended the great value weekday Lunchtime Specials and the Evening Menu (served 5pm – 9pm) which has rapidly gained a reputation for innovation, great choice and value.

AROMA'S CAFÉ: 9am – 6pm daily

"Serving savoury snacks, delicious cakes and a dizzying array of teas and coffees, on a sunny day this is a truly lovely setting."

Aroma's Café is famous for its homemade pastries and delicious home baked cakes. Located overlooking the River Shannon, Aroma's offers a relaxing respite and a friendly welcome.
