“The new look pre function room and ballroom is amazing. We took our family photos in the upper lobby room and our bridal party photos in the black mint bar - there is so many places in the hotel to get some snaps which is always handy on a wet day!”

Food was spectacular and plentiful. The attention to detail was class. I cannot
fault anything over the days. I was made feel so relaxed throughout. If you
haven't booked yet well what are you waiting for!"*

It is a relief to any bride to hear the words ‘it was the best wedding we were at’ after months of planning and I am delighted to say I heard those anything words over and over again. If that doesn’t say enough two of our close friends getting married this year booked the venue straight after!
